Junior Primary Writing

The junior class 'Banning the Boring' in writing.

Welcome to week 3.

Principal's Report

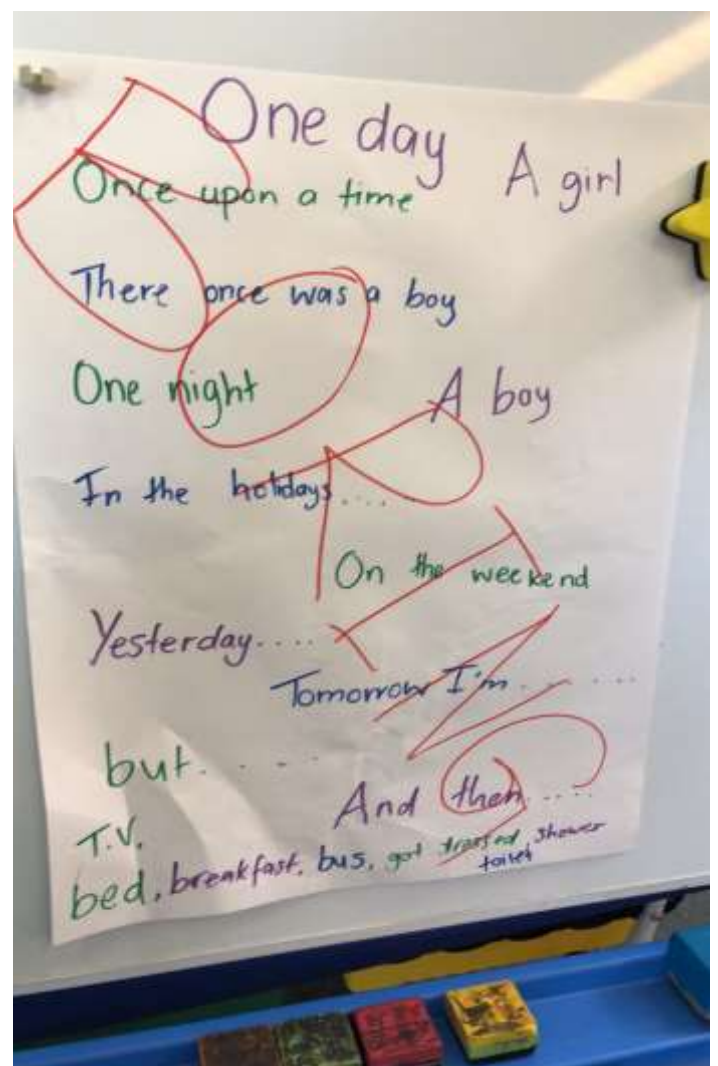

Yesterday's **Professional Learning** for teachers at Berri Primary School was outstanding. We have returned with lots of ideas and changes to our pedagogical practices around writing. A kit and online support are available to us.

Pancakes – Many thanks to Jolie and Skye for organising the pancakes for Shrove Tuesday. We all enjoyed them!

Swimming – This Friday students will have the opportunity to use the Swan Reach Area School pool. We are fortunate that Cadell and Swan Reach schools have allowed our students to practise their swimming. Teachers will be driving the school and community buses, and a parent has offered to help with supervision.

Interaction Morning – This Wednesday the Playcentre and Junior Primary class will have an interaction morning. All children and carers welcome to join in.

Assembly – Our first assembly will be this Thursday at 2pm in the Junior Primary classroom. Looking forward to seeing you there to celebrate the learning and achievements of the students and staff.
